## What are cookies

As is common practice with almost all professional websites this site uses cookies, which are tiny files that are downloaded to your computer, to improve your experience. This page describes what information they gather, how we use it and why we sometimes need to store these cookies. We will also share how you can prevent these cookies from being stored however this may downgrade or 'break' certain elements of the sites functionality.

For more general information on cookies see the [Wikipedia article on HTTP Cookies](#).

## How we use cookies

We use cookies for a variety of reasons detailed below. Unfortunately in most cases there are no industry standard options for disabling all cookies without completely disabling the functionality and features they add to this site. It is recommended that you leave on all cookies if you are not sure whether you need them or not in case they are used to provide a service that you use.

## Necessary cookies

These are cookies you can't disable. An example is the session cookie that is used for our shopping card and order process.

## Change your preferences

When you first visit our site you will be given the option to disable nonfunctional cookies. Press the "Advanced settings" button or visit "Cookie preferences" at the bottom of the website.

**If you choose not to accept cookies from third parties you cannot listen to the demo's and testimonials on our website that are hosted on SoundCloud.**

You can also prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Disabling cookies will usually result in also disabling certain functionality and features of the this site like ordering a product. Therefore it is recommended that you do not disable cookies.

## The cookies we set

### Account related cookies

If you create an account with us then we will use cookies for the management of the signup process and general administration. These cookies will usually be deleted when you log out however in some cases they may remain afterwards to remember your site preferences when logged out.

## Login related cookies

We use cookies when you are logged in so that we can remember this fact. This prevents you from having to log in every single time you visit a new page. These cookies are typically removed or cleared when you log out to ensure that you can only access restricted features and areas when logged in.

## Orders processing related cookies

This site offers e-commerce or payment facilities and some cookies are essential to ensure that your order is remembered between pages so that we can process it properly.

## Site preferences cookies

In order to provide you with a great experience on this site we provide the functionality to set your preferences for how this site runs when you use it. In order to remember your preferences we need to set cookies so that this information can be called whenever you interact with a page is affected by your preferences.

## Third party cookies

These cookies can be disabled by not agreeing to our cookie policy. There is a popup the first time you visit our site, you can accept or reject cookies.

In some special cases we also use cookies provided by trusted third parties. The following section details which third party cookies you might encounter through this site.

This site uses Google Analytics which is one of the most widespread and trusted analytics solution on the web for helping us to understand how you use the site and ways that we can improve your experience. These cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content.

For more information on Google Analytics cookies, see the official Google Analytics page.

We also use social media buttons and/or plugins on this site that allow you to connect with your social network in various ways. For these to work the following social media sites including; Facebook, will set cookies through our site which may be used to enhance your profile on their site or contribute to the data they hold for various purposes outlined in their respective privacy policies.

## More Information

Hopefully that has clarified things for you and as was previously mentioned if there is something that you aren't sure whether you need or not it's usually safer to leave cookies enabled in case it does interact with one of the features you use on our site.
